COUNTY OF LOS ANGELES DEPARTMENT OF HEALTH SERVICES 313 N. Figueroa, Los Angeles, CA 90012 (213) 240-8101

April 7, 2005

The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, California 90012

Dear Supervisors:

APPROVAL OF AMENDMENT NO. 2 FOR WORKERS' COMPENSATION IDENTIFICATION AND RECOVERY SERVICES WITH BOEHM AND ASSOCIATES (COUNTY CONTRACT NO. H209855) AND SOUTHERN CALIFORNIA MED-LEGAL CONSULTANTS, INC. (COUNTY CONTRACT NO. H209854)

(All districts) (3 Votes)

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Director of Health Services, or his designee, to sign Amendment No. 2, substantially similar to Exhibit I, with Boehm and Associates (County Contract No. H209855), and with Southern California Med-Legal Consultants, Inc., (County Contract No. H209854) to provide Workers' Compensation Identification and Recovery Services (WCIRS) at County hospitals, health centers, and comprehensive health centers, for an additional seven months, effective July 1, 2005 through January 31, 2006, at the existing contingency fee rate on WCIRS collections.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

In approving the recommended action, the Board is authorizing the Director, or his designee, to sign Amendments No. 2 with Boehm and Associates (B&A) and Southern California Med-Legal Consultants, (SCMLC) Inc. to extend their respective terms for seven additional months to allow the Department of Health Services (DHS or Department) time to complete a Request for Proposals (RFP) process.

The Honorable Board of Supervisors April 7, 2005 Page 2

The extension will assure the continued provision of WCIRS at County hospitals, health centers, and comprehensive health centers. The agreements with B&A and SCMLC are slated to expire on June 30, 2005.

FISCAL IMPACT/FINANCING:

Both contractors have agreed to maintain the existing contingency fee of twenty (20%) percent on WCIRS collections resulting from their activities. Maximum contingency fee for the additional seven months (July 1, 2005 through January 31, 2006) is \$421,667, and is included in the Fiscal Year 2005-06 Proposed Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

In August 1998, as result of a competitive solicitation process conducted in February 1997, the County successfully contracted with B&A and SCMLC, for the provision of WCIRS to maximize potential workers compensation revenue for the Department of Health Services (DHS or Department). WCIRS provides a safety net function to current DHS' collection efforts to help maximize potential workers' compensation revenue. The Department refers patient accounts to B&A and SCMLC for WCIRS after the County's and its primary contractors' best efforts to collect have been effectively exhausted.

On June 4, 2002, the Board approved Amendment No. 1 with B&A and SCMLC to extend the term for one year with an automatic year-by-year extension for an additional twenty-four (24) months through June 30, 2005.

Amendment No. 2 will extend the respective terms of these agreements for seven additional months, through January 31, 2006, to allow the Department time to complete an RFP.

Exhibit I has been approved as to form by County Counsel.

Attachment A provides additional information.

CONTRACTING PROCESS:

It is not appropriate to advertise amendments on the Los Angeles County Online Web Site as a contract/business opportunity.

The Honorable Board of Supervisors April 7, 2005 Page 3

IMPACT ON CURRENT SERVICES (OR PROJECTS):

Approval of the amendments will ensure the continued and uninterrupted provision of WCIRS which has the potential to increase revenue.

When approved, this Department requires three signed copies of the Board's action.

Respectfully submitted,

Thomas L. Garthwaite, M.D.

Director and Chief Medical Officer

 - "70. CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE"

 UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY

 ACT OF 1996 ("HIPAA"): Under this Agreement, Contractor

 (also known herein as "Business Associate") provides

 services ("Services") to County (also known herein as

 "Covered Entity") in which Business Associate receives, has

 access to, or creates, Protected Health Information and/or

 Electronic Protected Health Information in order to provide

 those Services. Covered Entity is subject to the

 Insurance Portability and Accountability Act of 1996

 ("HIPAA"), and regulations promulgated thereunder, including

 the Standards for Privacy of Individually Identifiable

 Health Information ("Privacy Regulations") and the Health

Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Privacy and Security Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such an contract is not in place.

Therefore, the parties agree to the following:

A. DEFINITIONS:

Certain transmissions, include of paper, via facsimile ("FAX"), and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission. The term "electronic media" draws no distinction between internal and external data, at rest (that is, in storage), as well as, during transmission.

- (3) "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. - (7) "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.
